Tips To Stay Safe

- Use Caller ID to screen calls and consider not answering numbers you don't know. If it's urgent, they'll call you back.
- Just Hang up. Scammers will change their methods as the public catches on. Be on the lookout for other questions designed to get you to say "yes".
- Make a note of the number and report it to BBB.org/Scam Tracker to alert others.
- Join the Do Not Call Registry (DoNotCall.gov) to limit telemarketing and sales calls.
- Check your bank and credit card statements regularly for charges you didn't make. Also, review your telephone and cellphone bills.
